

Birmingham Airport Authority Operations Department Notice

Date December 4, 2005

Runway 18/36 closure is extended:

Due to weather related delays, Runway 18/36 **will not** re-open on the previously scheduled date of Monday December 5, 2005. The runway will remain closed until all required work in the Runway Safety Area is completed. We thank you for your patience and we apologize for any inconvenience caused by this extended closure. We will continue providing you with the weekly progress reports and more frequent updates as needed.
